**February 6, 2004**

Identification Number: C00040220

Reference: Mid-Year Report (1/1/03-6/30/03)

Dear Mr. Arnold:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

Commission Regulations require that a committee disclose the identification of all individuals who contribute in excess of \$200 in a calendar year. (11 CFR §104.3(a)(4)(i)) Identification for an individual is defined as the full name, mailing address, occupation and name of employer. (11 CFR §100.12) Your report discloses contributions from individuals for which the identification is not complete.

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR §104.7(b)(1))

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the

contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2))  
The request must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you shall either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR §104.7(b)(4))

Please provide the missing information or a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

-On Schedule H1 of your report, you have failed to check a fixed percentage for your allocated federal and non-federal administrative, generic voter drive and exempt activity costs. The fixed percentage for these costs is based on whether a Presidential and/or a Senate candidate appear on the State's ballot. Please amend your report to include a corrected Schedule H1.

-Your report discloses no payments for administrative expenses. Administrative expenses are payments made for the purpose of operating a political committee including, but not limited to, rent, utilities, salaries, telephone service, office equipment and supplies. Each state, district or local party committee utilizing separate federal and non-federal accounts is required to allocate any administrative expenses (excluding salary) between the accounts according to a fixed percentage selected on FEC Schedule H1. A Schedule H1 must be filed with the first FEC FORM 3X filed at the beginning of each calendar year. Payments for salary and wages for employees who spend more than 25% of their compensated time on Federal election activities or on activities in connection with a Federal election must be made from a federal account and disclosed on a Schedule B supporting Line 30(b) of the Detailed Summary Page. 11 CFR §106.7

Any goods or services provided to your committee by a person, except volunteer activity (i.e., a person's time), would be considered an in-kind contribution from that person, and would be subject to the disclosure requirements of 2 U.S.C. §434(b)(3) and 11 CFR §104.13, and the limitations and prohibitions of 2 U.S.C. §§441a and 441b.

Clarification regarding administrative expenses should be provided during each two year election cycle beginning with the first report filed in the non-election year. Please provide the necessary information regarding administrative expenses incurred by your committee and/or amend your report to disclose such expenses according to the referenced provisions of the Act and Commission Regulations.

-Schedule B supporting Line 22 discloses \$375,000.00 in transfers to what appears to be a non-federal account of your committee. Please provide further clarification regarding this transfer to your non-federal account.

You are advised that 11 CFR §102.5 prohibits a non-federal account from financing activity in connection with federal elections. If any of the disbursements disclosed on Schedule B supporting Line 22 were made to influence the election or defeat of specific federal candidates, the disbursements should be allocated accordingly and disclosed as either in-kind contributions on Schedule B supporting Line 23, independent expenditures on Schedule E supporting Line 24, or as coordinated expenditures on Schedule F supporting Line 25. 11 CFR §§104.3(b)(3) and 106.1 In addition, if your non-federal account has paid any expenditures which should have been allocated, you are advised to correct any non-compliance with 11 CFR §§106.6 and 106.7 and establish procedures to insure future compliance with allocation regulations.

-Schedule B supporting Line 21(b) of your report discloses a payment(s) totaling \$21,285.11 for "direct mail" and \$32,036.70 for "telemarketing." Expenditures and disbursements for public communications (as defined under 11 CFR §100.26) that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24.

Please provide further clarification regarding this activity, specifically whether it referenced and promoted, attacked or opposed a clearly identified candidate for Federal office. If this is the case, please amend your report to properly disclose this activity as an in-kind contribution, an independent expenditure or a coordinated expenditure, as appropriate, on a Schedule B, E or F supporting Lines 23, 24 or 25, respectively.
