RE: Future Fund C00358717

30 Day Post-General Report

This letter accompanies our post-general election report filed December 28, 2000. As I explained in our telephone call, I was unaware that our committee was required to file a post-election report since we did not have to file a pre-general report, because we had made no contributions to candidates during the pre-election period.

You can reach me at 202-728-1010 if you require further information.

Regards,

Holly Giarraputo
