October Quarterly Report (07/01/00 – 09/30/00)

Dear Ms. Kang,

As you discussed with Marilyn Bullock today, we would like to revise the above submission that included our \$500 donation to the Bush for President, Inc. campaign. Due to a clerical error on our original submission, filed 10/11/00, the "General Election" box was checked – the intended purpose of this contribution disbursement was for the Primary Election only.

Thank you for bringing this oversight to our attention.

Sincerely,

Norman M. Levine, Treasurer

Dear Mr. Levine:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule B discloses a contribution(s) towards the general election campaign of a Presidential candidate(s). Please note that contributions to Presidential candidates are governed by specific regulations. Please refer to the following explanation of Presidential election financing, and then amend your report to clarify this contribution(s).

All Presidential primary elections held during an election year are considered one election for the purpose of the contribution limits. A multi-candidate committee, therefore may give only \$5,000 to a Presidential candidate's primary campaign, regardless of how many separate state Presidential primaries the candidate participates in. 11 CFR §§110.1(j)(1) and 110.2(i)(1)

In the general election, contributions to Presidential campaigns are not permitted if the candidate receives public funds. (An exception: Political committees may contribute to a publicly funded Presidential nominee's "compliance fund." A compliance fund is used solely for legal and accounting expenses incurred in complying with the election law. Gifts to compliance funds are considered contributions and are subject to usual per-candidate, per-election limits.) 11 CFR §9003.3(a)

Any amendment or clarification should be filed with the Federal Election Commission. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
