Reference: Statement of Organization, dated 1/15/03

Dear Mr. Kaune:

This letter is prompted by the Commission's preliminary review of your Statement of Organization. The review raised questions concerning certain information contained in the Statement. An itemization follows:

-Your committee's Statement of Organization discloses two connected organizations. The relationship listed for Merck & Co, Inc. states "Connected -- highest level parent." Please be advised that unless more than one company is sponsoring the separate segregated fund a separate segregated fund can have only one connected organization. If that connected organization has a parent company the name of that corporation does not need to be included in the name of the separate segregated fund, and therefore should not be listed as a connected organization on Line 6. Please amend your Statement of Organization to clarify this apparent discrepancy.

A response or amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
