Travis Brown, Campaign Finance Analyst

Dear Sir,

This letter is in response to yours referencing the 30 Post General Report (10/19/06 - 11/27/06). This committee's Treasurer, Marlys Matuszak is in the hospital and isn't expected to be released until the end of this week. I am her assistant. I've added the information regarding the federal candidate committees that our committee sent contributions to. However, I have been unable to run the report as there seems to be a problem with the software. I've also tried to find your concerns listed in the first two paragraphs of your letter. I noticed that there were three entries listed under "operating expenditures" that should have been listed under "other disbursements". When I went into the program to see if the information had been entered incorrectly, I saw that it had not. I have placed calls to our software tech support, but have not yet received a call back.

I want you to know that I am making every effort to correct these problems. I will return to Marlys' home tomorrow evening after I'm through with my regular job and hopefully connect with our software tech support.

In addition, I am also responding to your letter referencing the October Quarterly Report (8/24/06 - 9/30/06). I apologize that the five entries you referred to had not been reported on the 48 Hour Reports. Do you want me to file a 48 hour report on these? At present I am unable to electronically send any report to you because of whatever software problem we are experiencing.

Please feel free to call me on my cell phone tomorrow and let me know what else I can do to rectify these concerns. My number is 715 432-7886, and my name is Ginny Garner-Gerhardt.

Thank you for your patience and understanding.

Sincerely,

Ginny Garner-Gerhardt
