Identification Number: C00084368

Reference: 30 Day Post-General Report (10/16/08-11/24/08)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 9 items:

1. Schedule A supporting Lines 11(b) and 11(c) of your report discloses receipts from "Citizens for Cochran," "Wicker for Senate," and "Texans for Senator John Cornyn" which require further clarification. For example, if this activity represents a transfer of funds, please indicate "transfer" on Schedule A supporting Line 11(c) of your report. If this activity represents a reimbursement for services provided to this committee, please indicate this on Schedule A supporting Line 15 of your report. Please amend your report to clarify the type of activity this receipt(s) represents.
2. Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedules B and H4 of your report to clarify the following description(s): "Bonus," "Political Consultant," "Political Consulting," and "Political Field Work." For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).
3. Schedule H4 supporting Line 21(a) of your report discloses payments for "Bonus." Please be advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal election activity (FEA) or activities in connection with a Federal election must not be allocated

29030011264

between or among federal and non-federal accounts. Rather, only federal funds may be used. Further, the Commission concluded in Advisory Opinion 2003-11 that amounts spent for employee-specific "fringe benefits," consisting of health insurance, disability insurance, life insurance, retirement benefits and payroll taxes, fall into the category of compensated time.

Please clarify whether this activity is for employees who spent 25% or less of their time during the month(s) referenced above on FEA or activities in connection with a Federal election. If this is not the case, any reimbursement from your committee's non-federal account for this payment is not permissible and must be returned. Although the Commission may take further legal action regarding any improper allocation activity, your prompt action will be taken into consideration.

4. Schedule H4 of your report discloses a payment(s) for "GOTV Door to Door," "GOTV Poll Watcher," "Poll Watcher," and "Poll Watching." Please be advised that 11 CFR §100.24(b) defines as Federal Election Activity, Voter identification, Generic Campaign and Get-out-the vote activities conducted in connection with an election in which one or more candidates for Federal office appear on the ballot. Furthermore, the costs for these types of Federal Election Activity must either be paid with federal funds or can be allocated between federal and Levin funds as long as the activity conducted does not refer to a clearly identified candidate for Federal office. It appears that you have allocated these costs between federal and non-federal funds. Any reimbursement from your committee's non-federal account for Federal Election Activity costs is not permissible and must be returned. 11 CFR §§300.32 and 300.33

Please inform the Commission of your corrective action immediately or provide clarifying information regarding this activity. Although the Commission may take further legal action regarding this apparent prohibited activity, your prompt action will be taken into consideration.

5. Schedule H4 of your report discloses payments for "GOTV Phone Message," "GOTV Post-It Pads," "GOTV Postage," "GOTV Post Card Maillout," "GOTV Post Card Mailouts," and "GOTV Post Cards," which appear to meet the definition of Federal Election Activity ("FEA") and may also meet the conditions of exempt party activity as defined under 11 CFR §§100.80, 100.87, 100.89 and 11 CFR §§100.140, 100.147 and 100.149. Please be advised that activity which simultaneously constitutes both exempt activity and FEA must be paid for as an FEA activity.

29030011265

If this apparent exempt activity represents Get-out-the-vote activity conducted in connection with an election in which one or more candidates for Federal office appear on the ballot, it is considered to be Federal Election Activity. If this apparent exempt activity represents Voter Registration activity during the period that begins on the date that is 120 calendar days before the date that a regularly scheduled Federal election is held and ends on the date of the election, it is considered to be Federal Election Activity. 11 CFR §100.24 Further, Levin funds may only be used for these types of FEA if there is no reference to a clearly identified candidate for Federal office. 11 CFR §300.32(b) and (c)

If this apparent exempt activity is a public communication(s) (as defined under 11 CFR §100.26) that refers to a clearly identified candidate for Federal office and promotes, supports, attacks or opposes any candidate for Federal office, it meets the definition of Federal Election Activity under 11 CFR §100.24 and must be paid for with 100% Federal funds and disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

Further, public communications that meet the definition of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate.

It appears that you have allocated the costs for this activity between federal and non-federal funds. Any reimbursement from your committee's non-federal or Levin account for Federal Election Activity costs referencing a clearly identified candidate for Federal office is not permissible and must be returned. 11 CFR §§300.32 and 300.33

Please amend your report to (1) clarify whether the activity disclosed meets the conditions of exempt party activity, (2) clarify the type of FEA this activity represents or provide clarifying information as to why it does not meet the definition of FEA, and (3) inform the Commission of any corrective action immediately. In addition, please properly disclose this activity if necessary.

6. Schedule A supporting Line 12 discloses a transfer-in from the "Republican National Committee." Schedule H4 supporting Line 21(a) reflects payments for "GOTV Door Hangers," "GOTV Yard Signs/Bumper Stickers," and "Signs." Please be advised that a state or local party committee may pay for campaign materials (such as bumper stickers, pins and yard signs) that are distributed by volunteers in connection with

29030011266

activity on behalf of the party's nominees in a general election and voter drive activity on behalf of the party's Presidential and Vice Presidential nominees. Payments for this type of activity are exempt from the definition of a contribution or expenditure if certain conditions are met. The conditions are that no public advertising may be used, including distribution by direct mail (mailings by a commercial vendor or from commercial lists); all funds used for the activity must be permitted under the Act; none of the funds used may have been designated for a particular candidate; and finally, payments for the activity may not be made from transfers-in from the national committee to specifically fund the activity. For further guidance, please refer to 11 CFR §§100.87 and 100.147 and to the Campaign Guide for Party Committees.

Please clarify the nature of the transfer(s)-in and subsequent payments for the aforementioned disbursement(s). If the activity disclosed on your report does not meet the definition of "exempt" activity as described above, any portion of the expenditures made on behalf of specifically identified candidates must be disclosed on Schedule B, E or F supporting Line 23 or 30(b), 24 or 25 of the Detailed Summary Page as appropriate.

7. Schedule H4 of your report discloses payments to "Winning Edge Communications, LLC," "Southern Insights, LLC," "Printed Ts," "U. S. Postmaster," and numerous individuals which are categorized as Administrative expenses; however, the purposes of disbursement disclosed are "GOTV Door Hangers," "GOTV Door to Door," "GOTV Phone Message," "GOTV Poll Watcher," "GOTV Post-It Pads," "GOTV Postage," "GOTV Post Card Maillout," "GOTV Post Card Mailouts," "GOTV Post Cards," "GOTV Yard Signs/Bumper Stickers," "Poll Watcher," and "Poll Watching." Please be advised that payments made for your committee's generic voter drive activities, that do not qualify as Federal election activities and that are not party exempt activities, should be categorized as Voter Drive expenses on Schedule H4. Please amend your report to clarify the appropriate category for these activities or provide clarifying information regarding these apparent discrepancies.

8. Schedule H4 discloses payments made to credit card companies for shared federal and non-federal activity. Please be advised that these payments must identify as memo entries, the original vendors from which you have purchased an item or service regardless of the amount. Please amend your report by providing the name and mailing address of the original vendor, along with the date, amount and purpose of each expenditure. 11 CFR §§104.10 and 104.17

29030011267

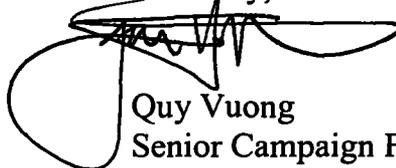

9. Please clarify all expenditures made for "Catering/Luncheon" on Schedule H4. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B, E, or F supporting Lines 23, 24, or 25 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

Alternatively, if the payment(s) on Schedule H4 is associated with fundraising activity conducted for your committee's federal and non-federal accounts, it must be allocated according to the funds received method and the ratio reflected on Schedule H2. Further, it must be categorized as a fundraising activity on Schedule H4. Please provide clarifying information regarding the nature of this transaction(s) and amend your report(s) as appropriate.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
