The 12 day prior report had disbursements that should have been listed as 30(b) but was errantly posted as 21(a) The amended report is to correctly post these disbursements. Additional there is a transfer from a Non Federal Account to reimburse for some of these disbursements that were listed as 21(a) but were actually 30(b). Because of this the transfer on page 20 of \$52,462.77 is now in error.

This transfer should have been for \$36,352.77 for the nonfederal share of the Transaction ID H4.4863. A transfer \$16,110 from this Federal Account to the Non-Federal Account that this organization owns and controls has been made and will be reported on the next report due by this committee. The next report due is the Mid-Year Report (Non-election Year Only) July 31, 2023. This transfer of \$16,110 brings the \$52,462.77 errant transfer down to the correct amount of \$36,352.77.
