FEC inquiry letter dated 10/29/03 re: all above reports

This letter is in response to the Commission's inquiries regarding the Schedule B and Schedule H4 disbursements for salaries and wages 1/01/03-8/31/03. Please be advised that the New York Republican Federal Campaign Committee has to date not employed any individual who spent more than 25% of their compensated time in a given month on Federal election activity or activities in connection with a Federal election. During the calendar year 2003, not a single federal election was held in New York State. The Committee's employees, consequently, did not engage in any direct work on a federal campaign. Furthermore, since the election focus for 2003 was on local elections (i.e. county, town and city), no employee engaged in sufficient activity that would indirectly impact a Federal election thereby affecting the allocation requirements.
