

**ETEXT ATTACHMENT****05/28/2005 15 : 28**

This memo is in response to your questions regarding transfers to the NV State Demo. Party from the Demo. National Committee during the 2004 pre-general reporting period. The NV State Demo. Party maintained a separate account for funds raised by the party, and from which disbursements for Federal Election Activity were paid. Likewise, an account was maintained for shared activity, the receipts being transferred from the Demo. National Committee. Funds in this account were not spent on Exempt Activity.
