Dear Ms. Della Rocco:

This letter is in response to your request for additional information, dated May 5, 2010.

1. The South Carolina Republican Party has amended its Statement of Organization to indicate that the SC Freedom 2010 is a joint fundraising representative.
2. The above referenced report has been amended to clearly identify all items listed in your letter as transfers from each candidate committee. These were not reimbursements for services.
3. The South Carolina Republican Party has disclosed all administrative expenses, including, but not limited to FEA salary, rent, utilities and telephone. The Committee filed the H1 with the February Monthly Report as required. The Committee has no further expenses (including in kinds or debt) to report at this time. The Committee will continue to fully disclose all expenses with each monthly report filed.
4. Elizabeth Donehue is a fundraising consultant to the Party and advises the Committee on its entire fundraising program. There is no particular event or effort attributed specifically to her services. As with all party consultants, her monthly fees are allocated on the administrative percentage basis.

Please let me know if you have further questions.
