Dear FEC,

Please accept this filing in response to a letter we received from the FEC dated August 20th of 2015 about contributions on our July 20 monthly report which were reported outside of the permissible time period. NORPAC filed 5 contributions to Senator Kelly Ayotte that appeared incorrectly pre-dated by 10 days. The amended filing from today corrects this error from our imported earmark records for this contribution.

Sincerely,

Josef Schranz
Treasurer, NORPAC
