July Monthly Report (6/1/07-6/30/07)

Dear Ms. Winship:

I am responding to your letter of July 20, 2007 in regard to our Monthly Reports.

Our PAC has one person doing our administrative work. This person works as a consultant to us and we report her compensation each month that we pay her under the name of Diana Korenblit. She works from home, therefore there is no rent expenses and the only other expenses is our phone bill, office expenses and the postage that have been adequately reported.

Yours truly,

Fred Levinson, Treasurer
