RE: California Association of Marriage and Family Therapists PAC (ID# C00346619) ? June Monthly Report Covering the Period 05/01/18 to 05/31/18

Dear Ms. Miller,

We have been in contact with you regarding the cash on hand amount as related to this client?s investment account. Upon further discussion we understand that you are requesting that we revise the beginning cash on hand to reflect only the actual value of the investment held in Dunham Trust absent any unrealized gains or losses that are tracked on a monthly basis.

Please be advised that we have updated the cash on hand for the beginning of this report period as well as for January 1, 2018 for the June Monthly Report based on this advice. Going forward, the committee will reflect only realized gains on Line 17 during each report period. Fees charged for the investment will continue to be reported on Line 21.

Also per your request, attached is a schedule of the impacted reports with an updated cash on hand for the beginning of each report period.

We trust this resolves the matter. If there are further questions or if you think further revisions are needed, please contact me at (916) 442-2952.

Sincerely,

Lacey Keys
