In response to the Request for Additional Information dated December 2, 2014: 'Self/Self' was a donor provided description for employer name and occupation. The committee follows the best efforts protocol to obtain required information for disclosure of individuals who contribute in excess of \$200 in a calendar year. The committee always makes a clear and conspicuous request for the information at the time of the original solicitation and makes follow up requests for the information, in writing with pre-addressed envelopes. Additional information received will be provided in subsequent reports. Expenditures for "Direct Mail Services" and "Postage" are correctly disclosed on Schedule B supporting Line 21(b) as they were for committee fundraising expenses that did not constitute public communications or voter drive activities containing express advocacy.
