To Whom It May Concern:

I have amended the New Power PAC's July 15 quarterly report to include two transactions that were overlooked when I originally filed.

The amended report now includes a Facebook transaction for 6/6/20 (Booker, \$750) and another Facebook transaction on 6/29/20 (Booker, \$1.98).

We had a great number of Facebook transaction during the primary and these two were overlooked. When they were found, I was on sabbatical and they were not recorded with an amended report at that time. I discovered these transactions when working on our October quarterly report.

As reported on Form 99 dated 8/21/20, since returning from my sabbatical, I have implemented a new system for tracking the Facebook receipts so that timely reporting does not become an issue.

If there is a question about our amended July quarterly report or the system we are now using to track the Facebook transactions, please don't hesitate to contact me at 859-559-8439.

Thank you,
