Dear Mr. Whyrick:

I spoke to Ms. Eliza Green in the electronic filing section. She asked me to fax a hard copy of our filing - which I did. She told me that I cannot file an amended form electronically because I did not have an identification number on the original filing.

Enclosed please find hard copies of our three filings along with the letters we received from Karen Balderson. Thank you for your assistance.

Bob Smith

Reference: Filing dated 11/1/06

Dear Mr. Auriana:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-On Schedule 5-A of this report, you have disclosed a contribution of \$77,000.00. Proper disclosure requires identification of each person who made a contribution in excess of \$200 to the person filing such report, which contribution was made for the purpose of furthering the reported independent expenditure. (11 CFR § 109.10(c)(1)(vi)) Please amend your report to include the name of the contributor.

Please note you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If
