This is a response to the FEC's April 2, 2019 RFAI for Women for American Values and Ethics Political Action Committee.

Women for American Values and Ethics Political Action Committee (WAVE PAC) acknowledges that certain independent expenditure expenses were not reported timely to the Federal Election Commission during the 24-hour reporting period. When WAVE PAC recognized these expenditures were not reported, WAVE PAC quickly filed a 24-Hour Notice on November 30, 2018 with a text memo explaining the late reporting of these independent expenditures.
