Reference: Statement of Organization

Dear Mr. Polen:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Item 5(e) indicates that your committee is a separate segregated fund. A separate segregated fund is a political committee established, financed, maintained or controlled by a corporation, labor organization, membership organization, cooperative or trade association.

If your committee is a separate segregated fund, then an amended Statement of Organization should be submitted which identifies the connected organization (11 CFR §102.2(a)(1)(ii)) and the type of connected organization. Moreover, in accordance with 2 U.S.C. §432(e)(5), the name of any separate segregated fund is required to include the name of its connected organization. This includes any abbreviation within its title.

If your committee is not a separate segregated fund, then an amended Statement of Organization should be submitted, which indicates the appropriate type of committee. 11 CFR §102.2(a)(1)(i)

-You failed to list a campaign depository on Line 9.

Please be advised that each registered political committee must designate a campaign depository or depositories. The committee must maintain at least one checking account or transaction account at one of the depositories. 11 CFR §103.2

Please identify the depository or depositories that will be used by your committee. 11 CFR §102.2(a)(1)(vi)
