RE: Windstream Holdings LLC Political Action Committee, FEC #C00425975 September 8, 2022 RFAI

Dear Sarah:

On 7/27/2022 a fraudulent check cleared the PAC account. The Bank was immediately alerted of the activity and a request to reverse it has been made. However, at this time, the check has not been reversed. The fraud is suspected to come from an individual outside the company, copying information from a multi-year old check. As soon as the fraud was discovered, law enforcement was contacted with details of the activity. In addition, positive pay was added to the PAC bank account to prevent future check fraud.
