Re: Post General Report (10-17-2012 through 11-26-2012)

Dear Mr. Buckley:

In response to your letter dated February 14, 2013, we have reviewed the originally filed report and are submitting an amended report to address the two issues raised by the letter.

Regarding Item #1: With respect to the expenditures made by the party for volunteer exempt activities: we can confirm that there was no public advertising (including direct mail), that only funds permissible under the Act were used, that no funds designated for a particular candidate were used, and that the party always maintained cash-on-hand consisting of regular contributions and funds from non-national party transfers sufficient to fund the volunteer exempt activities.

Regarding Item #2: We are filing this amendment to include memo transactions for the reimbursements paid to individuals reported on line 30b. When filing the original report an attempt was made to include relevant information omitted by the missing memo entries in the memo attached. The omission was due to an error in linking required memo entries to the individual disbursement. In response to your letter, we have been able to correctly link each memo to the original expenditures.

Respectfully submitted,
Tom Mechler, Treasurer
Republican Party of Texas
