IDENTIFICATION NUMBER: C00519413

REFERENCE: 30 DAY POST-GENERAL REPORT (10/20/2016 - 11/28/2016)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 4 item(s):

1. The totals listed on Line(s) 6(c), 17, 19, and 20, Column B of the Summary and Detailed Summary Page(s) appear to be incorrect. Column B figures for the Summary and Detailed Summary Pages should equal the sum of the Column B figures on your previous report and the Column A figures on this report. Please file an amendment to your report to correct the Column B discrepancies for this report and all subsequent report(s) which may be affected by this correction. Note that Column B should reflect only the Calendar Year-to-Date totals. (52 U.S.C. §30104(b) (formerly 2 U.S.C. § 434(b)))
2. Schedule A supporting Line 11(c) (see attached) discloses a receipt(s) from an organization(s) that is registered with the Commission as an Independent Expenditure - Only Committee. Additionally, Commission records indicate that your Committee maintains a Non-Contribution Account consistent with the stipulated judgment in Carey v. FEC.

If the amounts in question were deposited into your Committee's Non-Contribution Account, please amend your report to disclose "Non-Contribution Account" in the description field or in memo text. For more information please reference the "Reporting Guidance for Political Committees that maintain a Non-Contribution Account" at <http://www.fec.gov/pages/fecrecord/november2011/fecstatementcareyvfec.shtml>

If you have received a prohibited contribution, you may have to make a refund. If within 30 days of receipt you (1) transferred the prohibited amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution of the option of receiving a refund, you may retain the contribution in an account not used to influence federal elections. Any request from a donor for a refund must be honored.

Please inform the Commission of your corrective action promptly in writing and provide a photocopy of your check for any transfer-out or refund. In addition, any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report covering the period during which the transaction was made. Although the Commission may take further legal action concerning the acceptance of a prohibited contribution, prompt action by your committee to transfer-out or refund the amount will be taken into consideration.

**3.** Schedule B supporting Line 23 discloses contributions to federal committees totaling \$10,000 (see attached). However; the reports filed by your Committee indicate that your Committee's federal account does not contain sufficient funds to make such contribution(s). Commission records indicate that your Committee maintains a Non-Contribution Account consistent with the stipulated judgment in Carey v. FEC

Please be advised that political committees that have established a separate bank account consistent with the stipulated order in Carey v. FEC must ensure that the non-contribution account remains segregated from any accounts used to make contributions to federal candidates and committees. See <http://www.fec.gov/pages/fecrecord/november2011/fecstatementcareyvfec.shtml>

If any apparently prohibited contribution in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

If your Committee has made a prohibited contribution you must notify the recipient and request a refund. The refund of the prohibited amount must be made within thirty (30) days of the receipt of the contribution.

Please inform the Commission of your corrective action promptly in writing and provide a photocopy of the refund request sent to the recipient committee(s). In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received.

Although the Commission may take further legal action regarding the excessive contribution(s), your prompt action in obtaining a refund will be taken into consideration.

4. Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Contributions to federal candidates and other political committees should be properly disclosed on a separate Schedule B, supporting Line 23 of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your filings. (52 U.S.C. §30104(b) (formerly 2 U.S.C §434(b)) and FORM 3X Instructions) Further, please amend your report to disclose these contributions on the proper line.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. For additional information about the report review process or specific filing information for your committee type, please visit the Reports Analysis Division's Frequently Asked Questions on the FEC website. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1136.
