Re: October Qtly Report

I am in receipt of your letter dated 12/23/06.

Regarding the contributions from William H. Lyon and William Lyon. They are from separate individuals. They are from a father (William Lyon) and his grown son (William H. Lyon).

Thank you for the information on the multicandidate status we are monitoring the thresholds for that and plan to file Form 1M when we have met all the criteria.

Thank you,
