MR DAVID CIMPL, TREASURER  
MMC CORP POLITICAL ACTION  
COMMITTEE  
10955 LOWELL AVE #350  
OVERLAND PARK, KS 66210-2408

**Response Due Date**  
**02/20/2013**

IDENTIFICATION NUMBER: C00509356

REFERENCE: AMENDED 12 DAY PRE-GENERAL REPORT (10/01/2012 -  
10/17/2012), RECEIVED 10/26/2012

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

1. Your filings disclose that your committee may have satisfied the criteria set forth at 11 CFR §100.5(e)(3) for becoming a multicandidate committee; however, the Commission has no record of a FORM 1M (Notification of Multicandidate Status) filed by your committee. Please be advised that once a political committee meets the certification requirements **or** becomes affiliated with an existing multicandidate committee, whether or not that political committee has certified its status as a multicandidate committee, it automatically attains multicandidate status and must file a FORM 1M (Notification of Multicandidate Status) within ten (10) calendar days. The certification requirements for multicandidate status have been satisfied when a political committee:

- 1 - has received contributions for federal elections from at least 51 persons;
- 2 - has been registered with the Commission for at least 6 months; and
- 3 - has made contributions to at least five federal candidates.

For further guidance on the multicandidate certification requirements, please see 11 CFR §§102.2(a)(3), 110.2(a)(1) and (2). Please submit a FORM 1M to disclose the required information for the public record. A copy of FEC FORM 1M can be downloaded from the FEC website at <http://www.fec.gov>, or requested through the FEC Fax line at (202) 501-3413.

- For your information and consideration when preparing future filings, Schedule A supporting Line 11(a)(i) discloses contributions received through an apparent payroll deduction plan. Generally, a committee's report must identify each contribution from an individual which in the aggregate exceeds \$200 during the calendar year. (2 U.S.C. §434(b)) Instead of separate itemization, a committee using a payroll deduction plan may disclose the aggregate amount of contributions received from the contributor through the payroll deduction plan during the reporting period; the identification of the individual where the contribution exceeds \$200 in the aggregate during the calendar year; and a statement of the amount deducted per pay period. For future filings, please refer to the enclosed sample of properly reported payroll deductions. (11 CFR §104.8(b))

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1133.

Sincerely,

Christopher Morse

\*Adding Extra Text/Explanation: When using FECFile electronic filing software, this information can be entered using the “memo text” window. To make a memo text entry, select the “view” menu on the FECFile toolbar. Select “All Transactions.” Single click (highlight) the transaction to which the memo text will be attached. Then select the “Edit” menu on the toolbar and select “memo text.”

By June 30 (the closing date for the July quarterly report), 13 pay periods have passed, and the manager’s aggregate contributions are \$195—still below the \$200 itemization threshold. The manager’s second-quarter contributions again are included in “unitemized contributions” in the July report.

By September 30 (the closing date for the October quarterly report), 19 pay periods have passed, and the manager’s contributions reach \$285. Now the committee itemizes the total contributions received from the manager during the third quarter (\$90), providing the year-to-date total in the appropriate space. (See the illustration above.)

### In-Kind Contributions

When determining whether to itemize an *in-kind contribution* received, follow the same guidelines listed above under “When to Itemize Receipts.” See page 9 for information on how to determine the dollar value of an *in-kind contribution*.

In addition, add the value of the *in-kind contribution* to the operating expenditures total on Line 21(b) (in order to avoid inflating the cash-on-hand amount). 104.13(a)(2).

If the *in-kind contribution* must be itemized on Schedule A, then it must also be itemized on a Schedule B for operating expenditures. See the illustration on page 56.

### Appreciated Goods

When a committee receives an *in-kind contribution* whose value may appreciate over time, such as stock or artwork, special reporting rules apply:

- Itemize the initial gift, if necessary, as a *memo entry* on Schedule A (see “When to Itemize Receipts,” on page 53). Under “Amount,” report the fair market value of the *contribution* on the date the item was received. Do not include that amount in the total for Line 11(a)(i) on the Detailed Summary Page.
- Once the item is sold, report the sale price as a *contribution* on Line 11(a)(i) if the purchaser is known or as an “other receipt” on Line 15 if the purchaser is unknown.

Itemize the transaction on Schedule A if necessary. 104.13(b). See also AO 1989-6.

### Joint Contributions

A *joint contribution* is made by a single check that bears two signatures. A check with one signature may also be a *joint contribution* if an accompanying form or letter, signed by both contributors, instructs the committee to treat it as a *joint contribution*. (A check drawn on a joint bank account but signed by only one person does not qualify as a *joint contribution*. Attribute the full amount of such a check only to the person who signed it. Alternatively, a reattribution may be sought using the procedures described below.)

For the purposes of itemization, report a *joint contribution* as though the joint contributors had given separately.

A *joint contribution* is itemized in items A and B in the illustration on page 57. In this case, the committee received a \$1,000 check from a married couple, signed by both spouses. Because there were no
