Please note that the PAC is aware that we follow an alternate method of itemizing payroll receipts rather than the suggested manner of disclosing a single total for the reporting period along with the amount deducted per pay period. Because the amounts collected per pay period may change often during the time covered by a single report, we find that reporting individual deductions separately more accurately discloses how the receipts are collected.

This report is being amended in response to an RFAI dated January 31, 2014 requesting full names that were not on the original report. The data was imcomplete on the original filing due to a data import error that has since been correct. Please update your records accordingly.
