Re: Committee for a Livable Future - COO323352
Year-End Report (11/26/96-12/31/96)

This letter is in response to yours of June 11, 1997, asking about the Committee's acceptance of a contribution from Carroll Investments, L.L.C.

This organization is a Limited Liability Company and is not considered a corporation by the State of Oregon. Enclosed is a grid of contributor types published by the Oregon Secretary of State's Office. In footnote #5 you will see that they classify a Limited Liability Company as a "person", the same as they do a partnership. We understand from the FEC that if an L.L.C. is so classified by the State, the FEC does the same.

If you have additional questions regarding this report, please call me -- or call Susan Matthews at (503) 295-1851.

Sincerely,

Robert Stacey
Treasurer
