Dear Ms. Della Rocco:

This letter is in response to your request for additional information, dated August 5, 2011.

1. Your letter indicates that the Committee reported limited administrative expenses on the February, March and April Monthly reports. The Committee reported several administrative expenses, including salary, utilities, telephone, office supplies, etc. on all of these reports. The Committee has fully reported all expenses on each report and will continue to do so. The Committee did file the required Schedule H1 with the February Monthly Report and is accurately reporting expenses on Schedule B, Line 30b as well as on Schedule B, Line 21b and Schedule H4, Line 21a.
2. The Committee has answered this inquiry several times throughout 2010. Payments for Party Fundraising disclosed on Schedule H4 are NOT related to any specific event or program. This individual is a consultant for fundraising to the party and consulting payments are administrative payments and accurately disclosed on Schedule H4. The other payments indicated in your letter have been designated to the appropriate fundraising event and the above report has been amended to disclose this change.

Sincerely,
Dan Herren
