Re: February Monthly Report 01/01/2012- 01/31/12) and March Monthly Report (02/01/12-02/29/12)

Dear Ms. Benitz,

This submission is in response to your review of the above referenced reports.

The Committee received payments from authorized committees to offset the campaigns' allocable share of mailing expenses and processing earmarked contributions. The cost of printed mailings, processing and subsequent allocations was based on invoices billed by vendors at regular commercial rates. The corresponding payments to the commercial vendors are listed as operating expenditures on the Committee's reports.

Please contact me if you require further information.

Sincerely,

John D. Isaacs
Treasurer
