Dear Mr. Zausner:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your report discloses in-kind contributions made on behalf of federal candidates. The attribution to each federal candidate has been noted as a memo entry on supporting Schedule B for Line 23 (Contributions to Federal Candidates and Other Political Committees). However, the payments for the goods and services have not been included in a line total of the Detailed Summary Page.

Please amend your report to include the amounts of these entries in a line total of the Detailed Summary Page. If the committee has not yet paid the vendors, please disclose the outstanding balances as debts on Schedule D supporting Line 10.

A response or amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at

the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.

Sincerely,
