This report is in response to the Commissions letter dated March 2, 2005 regarding the Committee's October Monthly report. The Committee is reviewing its records for calendar year 2004 and will soon file omnibus amendments to the reports for that period. These amendments will address, inter alia, the matters raised regarding the Detailed Summary Page, Schedule H3, and the description of expenditures on Schedule H4. The Offset to Operating Expenditures Reported on Schedule A for Line 15 from QuickBooks Payroll Service does not correspond to previously allocated expenditures. The disbursement was originally made as a lump sum payment for direct deposit payroll transactions through QuickBooks payroll service. The \$376.19 refund was as a result of a direct deposit rejection. This transaction was reported erroneously, and will not be disclosed in any future amendments that will be filed.

The disbursements for Direct Mail Postage, Direct Mail Processing, Direct Mail Production, and Telemarketing Expenses were not made on behalf of a federal candidate. These were expenditures for the Committee's ongoing federal fundraising.

The Schedule H2 for this report inadvertently omitted, and future amendment will include a schedule H2 for Activist Training (09/11/2004).

Expenditures disclosed on Schedule H4 for paraphanelia were labeled incorrectly, and should have been reported as expenditures for Young Voter Project.
