Dear Ms. Della Rocco:

This letter is in response to your request for additional information, dated April 29, 2009.

Your letter notes that the above referenced amendment reported \$12,769.67 in receipts that were not disclosed on the original report. Due to the time frame covered by the report, the company payroll department was unable to provide the complete payroll deduction information prior to the reporting deadline. Once this information was received by the Committee, the amendment was filed to accurately disclose these deductions. The Committee has since established appropriate controls with the payroll department to insure that all payroll deduction reports are received in a timely manner.

Sincerely,

William Mines
Treasurer
