This letter is in response to the Request for Additional Information (RFAI) dated May 4, 2016, for the Year-End Report (07/01/2015 - 12/31/2015). Please note that although the RFAI is dated May 4, 2016, we did not receive RFAI until July 18, 2016. To this end, it is our understanding that when the Commission attempted to send the RFAI to us by email transmission, the email transmission was returned, or bounced back, to the Commission. Consequently, to prevent future communication issues, we have updated FEC Form 1 to confirm that the Commission has correct contact information.

The RFAI requested information on two items:

REQUEST: Line 11(a)(ii) of the Detailed Summary Page discloses \$300,673.25 in unitemized receipts from individuals/persons other than political committees during the reporting period.

RESPONSE: The contributions in question were obtained from contributors whose contribution, in the aggregate year-to-date total, did not exceed \$200. For example, most of these contributions were collected as a result of a raffle we conducted permitted under Michigan law. Each raffle ticket sold for \$5 or in a pack of 5 tickets for \$20.

REQUEST: Schedule B of your report discloses one or more contributions which appear to exceed the limits set forth in the Federal Election Campaign Act.

RESPONSE: The contributions in question were made to the Michigan Republican Party Administrative Account. Please note that the Michigan Republican Party Administrative Account is not a political committee under the Federal Election Campaign Act. The Michigan Republican Party Administrative Account is not the Michigan Republican Party (Committee Identification Number: C00041160). We donated to the Michigan Republican Party Administrative Account with the understanding that this account engages in non-campaign related activities, and engages in no activities subject to the Federal Election Campaign Act. Therefore, we have not made any contributions which exceeded the limits set forth in the Federal Election Campaign Act.
