To Whom it May Concern:

I have attached to my Jan 10, 2016 quarterly report the two documents:

July 9, 2015 signed negotiated settlement.

September 15, 2015 notice that FEC accepted the settlement and agreed to closure.

With these documents, I respectfully ask to close the committee,

Headrick for Congress, C00559062, 2014 campaign committee for TND03 House of Representatives.

If I have failed to sign or notarize something, please advise.

If there is a specific confirmation I should seek from Lynn Fraser's office for the Alternative Dispute Resolution Office for ADR 758, please advise.

If there is a specific confirmation I should seek from FEC, please advise.

Thanks you,

Mary M Headrick, 2014 candidate.
