

Oregon Republican Party CO0153031

This note is regarding March '06 Monthly, FEC ID# 207579

The request for information letter dated December 20, 2006, itemizes the following topics:

1. The amended report disclosed additional receipts of \$10,891.00 on Lines 11(a)(i) and 11(a)(ii) of the Detailed Summary Page that were not originally disclosed. Please clarify.

--This discrepancy has be corrected by filing amendment FEC-270484. An account was checked off that should not have been checked, and I did not catch it on amendment #1. Thus, the correct accounts are not checked and the originally disclosed amount is the correct amount. I will review if this will affect the ending balances and beginning balances of subsequent months, and if it does, I will file amendments just to correct the math.

2. Schedule B supporting Line 21(b) discloses payments for "FEA Payroll." Payments for FEA salaries and wages should properly be disclosed on Line 30(b).

--This discrepancy has been corrected by filing amendment FEC-270484. The FEA Payroll is now disclosed on the proper line.

THANKS!!
