Ref: Amended December Monthly Report (11/1/03-11/30/03)

This letter is in response to a letter from the FEC dated August 4, 2004 referencing the above report. Today, 9/2/04, I spoke with Maureen Beritz in the Report Analysis Division and she stated that it appeared the referenced letter had been sent in error. The October montly report shows a year-to-date total of \$21,907.74 for Voter Drive activity, and when added with the total from the December report, that the figure of \$59,430.29 was correct.

I trust this correspondence will clarify any questions.

Thank you for your kind assistance.
