

This is in reference to the Amended July Quarterly Report (4/1/08-6/30/08). On line 11(a)(i) of Schedule A, CSA Union, Member Payroll Contributions were reported.

None of the contribution from individuals/persons aggregated to greater than \$200 in the calendar year.

This report should have been listed as un-itized, however I encountered software problems when attempting to file an amendment.

To repeat - None of the individual contributions listed on line 11(a)(i) came to an aggregate total of over \$200 for the individual.

Thank you.
