In response to the RFAI dated May 12, 2019 we are filing this amended report so the beginning and ending balances of each report match. The discrepancy was caused by our auditing of the campaign finances in anticipation of closing this committee. As we have gone through the reports of this election year we have been preparing amended reports using FECfile. We did not realize the unfiled amended reports would impact the balances of the reports we were filing for the post general and beyond reports. We are now in the process of filing the amended reports for 2018 to fix the discrepancy. We apologize for any confusion this may have caused. The reason for the the 1Q amended filing is some small expenses were missed in data entry for the original report.
