Reference: Year-End FEC Report (11/23/04-12/31/04)

I have sent two amendments for the Year-End FEC Report. The reason why the amendments needed to be processed was due to two disbursement checks being voided in error. The total amount of the two checks was \$2,000. If you look at the original filing and compare it to the amended filing the difference in the disbursement amount is \$2,000.
