Committee: The Freedom Project, ID C00305805

Reference: March Monthly Report (2/1/12-2/29/12)

Dear Mr. Butler:

This letter is in response to your request for additional information dated November 27, 2012. Per our conversation, the Committee only became aware of this letter when it was reviewing its own public filings. The Statement of Organization has been amended with an updated email to avoid this issue in the future.

Your letter indicates that The Freedom Project reported receiving a contribution on 2/21/12 from the Capital One Financial Corp. Assoc. Political Fund and that the other Committee did not disclose making the contribution. Please see line 28c of the above referenced report. You will note that The Freedom Project also reported that this contribution was returned by the bank for non-sufficient funds. Our filing system does not allow us to disclose this as a negative receipt and forces its itemization on line 28c instead.

The Freedom Project does not know why the Capital One Financial Corp. Assoc. Political Fund did not report making this contribution. We received it, deposited it, and it was returned by the bank, so we fully disclosed this transaction as well.

The Freedom Project believes it has accurately disclosed all transactions and no amendment is due at this time.

Sincerely,

Lisa Lisker  
Treasurer
