Response Due Date

IDENTIFICATION NUMBER: C00403907

REFERENCE: MID-YEAR REPORT (01/01/2023 - 06/30/2023)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

1. Your report does not include a Schedule H1 to disclose the ratio for the allocation of certain costs. For State, District and Local party committees, Schedule H1 must be filed in the first report each calendar year that discloses an allocable disbursement. Further, all shared administrative, generic voter drive and exempt activity costs incurred during the two-year cycle must be allocated according to the appropriate fixed ratio, unless the federal account elects to pay a higher percentage of its cost. (11 CFR §§106.7(d)(2) and (3))

- Schedule H4 discloses activity which is paid for with 100% non-federal funds. For future filings, please be advised that any activity which is financed entirely by the federal account (including administrative expenses), should be reported on Schedule B supporting Line 21(b). Any activity which is 100% non-federal and permissibly financed entirely by the non-federal account, should not be disclosed on the FEC Form 3X (11 CFR §104.17)

For your information and consideration when preparing future filings, state, district and local party committees that make expenditures and disbursements in connection with both federal and non-federal elections for activities that are not federal election activities pursuant to 11 CFR §100.24 may use only funds subject to the prohibitions and limitations of the Act, or they may allocate such expenditures and disbursements between their federal and their non-federal accounts. (11 CFR §106.7(b))

State, district and local party committees may pay administrative, generic voter drive and exempt activity expenses from their federal account, or allocate between their federal and non-federal accounts according to a fixed percentage selected on FEC Schedule H1, except for activity directly attributable to a clearly identified candidate. Such expenses must be paid from the federal account only. (11 CFR §106.7(c)(2))

Schedule H2 is used by all political committees to report the allocation ratios of their joint federal and non-federal fundraising events and direct candidate support programs. Schedule H2 is filed with each report that discloses a disbursement for allocated activity. Schedule H3 is used by all political committees to report transfers received by the federal account from the non-federal account(s) to pay the non-federal share of allocable expenses.

Any expenditures made on behalf of both federal and non-federal candidates (including in-kind contributions, independent expenditures and coordinated expenditures) must be allocated between your committee's federal and non-federal accounts. Schedule H4 is used by all political committees to report payments for allocable expenses. (11 CFR §106.1(a))

For your next filing, please refer to the instructions for each line and schedule when determining the proper categorization(s).

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
