Identification Number: C00428045

Reference: Year End Report (7/1/07 – 12/31/07)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 5 items:

1. Schedule B supporting Line 29 of your report discloses a payment(s) to another political committee(s) for goods and/or services provided by that committee(s). 11 CFR §100.52(d)(1) states that "...the provision of any goods or services without charge or at a charge which is less than the usual and normal charge for such goods or services is a contribution." Examples of goods and services include equipment, supplies, personnel, membership lists and mailing lists. The term "usual and normal charge" for goods is defined as "...the price of those goods in the market from which they ordinarily would have been purchased at the time of the contribution". The usual and normal charge for services is defined as "...the hourly or piecework charge for the services at a commercially reasonable rate prevailing at the time the services were rendered." 11 CFR §100.52(d)(2)

Please clarify whether your committee was assessed the usual and normal charge for the goods and/or services you received and explain the steps the political committee(s) took in determining the amount(s) charged to you. If your committee was provided the goods and/or services at less than the usual and normal charge, the difference between the two is considered to be an in-kind contribution by the political committee(s) to your committee and is subject to the limits set forth at 2 U.S.C. §441a. (11 CFR §100.52(d)(1))

2. The totals listed on Lines 6(c), 7, 11(a)(iii), 11(c), 11(d), 19, 20, 21(b), 21(c), 23, 31 and 32 Column B of the Summary and Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

3. The totals listed on Lines 11(a)(i) and 11(a)(ii), Column B of the Detailed Summary Page appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. When an individual's aggregate exceeds the \$200 threshold, the amount should not be deducted from the Column B figure for Line 11(a)(ii). Please amend your report and any subsequent reports that may be affected by this correction.

4. Your calculations for Line 8 appear to be incorrect. Cash-on-hand at the close of the current reporting period should always equal the closing calendar year-to-date cash-on-hand amount. Please provide the corrected total on the Summary Page.

5. Your Year End Report (7/1/07 – 12/31/07) discloses limited payments for administrative expenses. Administrative expenses are payments made for the purpose of operating a political committee including, but not limited to, **rent, utilities, salaries, telephone service, office equipment and supplies.** Any such payments to a person aggregating in excess of \$200 in a calendar year must be disclosed on Schedule(s) B supporting Line 21(b) of the Detailed Summary Page. 2 U.S.C. §434(b)(5) If these expenses are being paid by a connected organization, your Statement of Organization must be amended to reflect this relationship. 2 U.S.C. §433(b)(2) In addition, if expenses have been incurred but not paid in a reporting period, the activity should be disclosed as a debt on Schedule D, if the obligation is \$500 or more, or outstanding for sixty days or more. 11 CFR §104.11

Any goods or services provided to your committee by a person, except volunteer activity (i.e., a person's time), would be considered an in-kind contribution from that person, and would be subject to the disclosure requirements of 2 U.S.C. §434(b)(3) and 11 CFR §104.13, and the limitations and prohibitions of 2 U.S.C. §§441a and 441b.

Clarification regarding administrative expenses should be disclosed during each two-year election cycle beginning with the first report filed in the

28039720300

non-election year. Please verify that all expenses referenced above (i.e., rent, salaries, utilities, etc.) have been adequately disclosed. If volunteers have provided these services, please confirm this in writing.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Operating expenditures should be properly disclosed on a separate Schedule B, supporting Line 21(b) of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your next filing.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1157.
