Amended Reports (1/1/07 - 3/31/07)
(4/1/07 - 6/30/07)

Dear Ms. Thangavelu;

In response to your inquiry of October 10, 2007, please note the following:

No printing or fundraising payments were on behalf of any federal candidates. The printing items were for holiday cards to donors and letterhead for the committee. The fundraising expenses were retainer fees and expenses for the committee's fundraising consultant. The committee retains a fundraising consultant in order to raise funds for its own use.

The committee is aware of its reporting requirements if any expenditures are made on behalf of a federal candidate.

We will amend the indicated reports to expand upon the descriptions of the items requested.

Sincerely,
Patrick J. Kozlowski
