

Re the letter to amend our Q1 report, we will be uploading the amended form today. We have one contributor who has exceeded the \$200 threshold, Martin Elfrey, of 5807 Grovesnor St, Pearland, TX 77584, who selected "Self" as his employer and "Other" as occupation - the default values in our online contribution form. We have requested a validation or clarification to these selections, but have not received a reply.
