This amendment provides the FEC ID# of the political party organization to which we disbursed \$10,000. Additionally, in doing a complete review of the reporting period, we discovered in-kind contributions and data input errors, in that our banking institution was not entered in several small contributions during the period. As a result, the information was not pulled into our first pre-election report in unitemized receipts. This amendment includes the corrected data and shows the accumulated additional COH of \$285. We have consulted with our software provider & understand what steps must be taken to pull all transactions for future reports.
