IDENTIFICATION NUMBER: C00035618

REFERENCE: 30 DAY POST-GENERAL REPORT (10/18/2012 - 11/26/2012)

Dear Mr. Morse:

This statement is in response to the Commission's letter dated April 9, 2013. The Commission requested additional information on three items.

- 1.The Commission requested corrective action for three contributions on Schedule A of our report, which appear to exceed contribution limits. In the case of Mr. Mark Holden, these contributions are actually by two different individuals. On the Committee's 2012 August Monthly report, both were mistakenly reported with the same address. The Committee has amended our 2012 August Monthly report to reflect the correct information. In the cases of Mrs. Joyce H. Inatome and Robert Yellowlees, the contributions have been refunded through the JFC from which they were received by our Committee and adjusting memo entries will be disclosed by our Committee after the JFC's next distribution.
- 2.The Commission requested clarification for two contributions on Schedule A of our report, which appear to be from corporations. Our Committee has safeguards in place to ensure that contributions are made only by eligible donors.
- 3.The Commission requested clarification for a contribution on Schedule A or our report from an individual who has a mailing address outside of the United States. Our Committee has safeguards in place to ensure that contributions are made only by eligible donors.

This should answer the Commission's inquiry.

Sincerely,

Mark Snelling
Treasurer
