Reference: Mid-Year Report (1/1/99-6/30/99)

Dear Mr. Singer:

On December 29, 1999, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your January 7, 2000 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

- In your response you state that your committee "does not maintain office space or have any salaried employees" and that "[a]ll services are provided by volunteers." Please note that any goods or services provided to your committee by a person, except volunteer activity (i.e., a person's time), would be considered an in-kind contribution from that person, and would be subject to the Commission's disclosure requirements. An in-kind contribution must be itemized on Schedule A for Line 11(a)(i) if it exceeds \$200 per calendar year, either by itself or when aggregated with other receipts from the same source, and as an operating expenditure on Schedule B for Line 21(b), in order to avoid inflating cash-on-hand. Please clarify whether individuals have made in-kind contributions to your committee by providing volunteer services, and if so, please amend your report as described above.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.

If you should have any questions related to this matter, please contact Andrea Wilkens on our toll-free number (800) 424-9530 or our local number (202) 694-1130.

Sincerely,

A handwritten signature in black ink that reads "John D. Gibson" with a horizontal line extending to the right.
