Dear Ms. Broomhead:

In response to your Request for Information dated 8/7/12 regarding the Amended Statement of Organization received 7/2/12, Line 5(e), we have filed on 8/8/12 an amendment of the Statement of Organization to identify the connected organization as ACA International which had previously been inadvertently omitted.

In addition, the amended report also includes a change of address for ACPAC International Political Action Committee and identifies the committee as a Lobbyist/Registrant PAC.

Thank you.

Sincerely,

Rae Ann Bevington
