However, Line 21 (a)(ii) Column A discloses \$77,688.60 as the non-federal share for allocated administrative activity for the reporting period. While the non-federal and Levin accounts are permitted to transfer funds to the federal account for allocated administrative activity, transfers for allocated activity must be made within a 70-day time period: no more than 10 days before or 60 days after the payment to the vendor. The Commission recommends that you immediately transfer back to the non-federal or Levin account, as applicable, the total excessive amount which was received by your federal account outside the 70-day time period. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.
