Dear Ms. Kyriacopoulos:

On March 21, 2001, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your April 6, 2001, response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Schedule A, supporting Lines 11(a)(i) and 11(c) of the Detailed Summary Page, discloses earmarked contributions with incorrect aggregate year-to-date totals. The aggregate year-to-date totals for these items should reflect the amount received by the conduit from an individual, less the amount of the earmarked contributions made by that individual.

An adequate response must be received at the Commission by May 2, 2001. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

If you should have any questions related to this matter, please contact Mark de Groh on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.

Sincerely,

A handwritten signature in black ink, appearing to read "John D. Gibson", with a long horizontal flourish extending to the right.
