**Response Due Date:**  
**July 7, 2008**

Identification Number: C00024372

Reference: April Monthly Report (3/1/08-3/31/08)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 3 items:

1. Schedule A supporting Line(s) 11(c) of your report discloses a receipt(s) from "Snyder for Congress," "Mike Ross for Congress Committee," "Marion Berry For Congress," and "Mark Pryor for U. S. Senate" which requires further clarification. For example, if this activity represents a transfer of funds, please indicate "transfer" on Schedule A supporting Line 11(c) of your report. If this activity represents a reimbursement for services provided to this committee, please indicate this on Schedule A supporting Line 15 of your report. Please amend your report to clarify the type of activity this receipt(s) represents.
2. Your February Monthly (1/1/08-1/31/08), March Monthly (2/1/08-2/29/08), and April Monthly (3/1/08-3/31/08) Reports combined do not disclose any payments for salary or wages on Schedule B supporting Line 30(b) of the Detailed Summary Page. 11 CFR §100.24 defines as Federal Election Activity, services provided by an employee of a State, district or local party committee who spends more than 25 percent of their time during that month on activities in connection with a Federal election. You are advised that payments for salaries and wages for employees who spend more than 25 percent of their compensated time in a given month on Federal Election Activity or activities in connection with a Federal election must be made with Federal funds only. Please provide clarification

regarding the lack of payments for salary and wages disclosed by your committee.

3. Schedule H4 of your report discloses disbursements for the Administrative category which use a ratio that is inconsistent with the ratio disclosed on Schedule H1. The fixed ratio for the allocation of administrative, generic voter drive and exempt activity expenses by State, district and local party committees should be the same for the full two-year election cycle unless a Special election is scheduled during an odd numbered year. Please amend your report to clarify this apparent discrepancy.

Please note that if your non-federal account has overpaid your federal account because of this miscalculation, it will be necessary to immediately transfer these funds back to the non-federal account. While the Commission may take further legal action concerning any impermissible overpayments by the non-federal account, your prompt action will be taken into consideration.

**Please note, you will not receive an additional notice from the Commission on this matter.** Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1135.

Sincerely,
