Re: October Monthly Report (9/1/06-9/30/06)

Dear Mr. Vuong,

This Form 99 is in response to your letter dated 3/28/07 regarding the report referenced above.

All of the payments received from the Ellison for Congress Campaign and reported on Line 15 as a payment for services were for the entire cost of their staff payroll including payroll taxes and benefits. All employees were paid at a fair market rate.

The two contributions reported on Schedule Line 23 were for the General Election and not the Primary.

The year-to-date totals for Lines 11(a)(i), 11(a)(ii), 21(a)(i), 21(a)(ii), and 32 are now correct.

The year-to-date totals for the five individuals mentioned in your letter are correct. The amount showing in the year-to-date section is the amount the donor sent directly to us. The current period amounts that are not reflected in the year-to-date figures are memo entries from joint fundraising activity and should not count in our year-to-date total for this individual.

The In-Kind receipt also appears as a disbursement on line 21(b). Please refer to the amended report for this period.

The beginning balance for the debt to St. Paul Plumbing & Heating was incorrect because two payments made in August were improperly posted to the debt. I have amended the September Monthly report to correct this error.

The amounts received from Oberstar and Wetterling and reported on Schedule A Line 11(c) were transfers

.  
Our Non-Federal Levin account is a savings account set up to solely to receive all non-federal funds designated as Levin Funds.

The non-federal funds that were designated as Levin Funds from Mark Dayton were from Senator Dayton's personal funds and are permissible under the act.

The fundraising expenses reported as FEA were Generic Party fundraising and were not made on behalf of any candidate.

We reported transactions for "Phone Bank Phones", these are payments for the phone lines used by volunteers to make voter id calls and volunteer recruitment calls. There was no express advocacy in these calls. I have corrected the data entry to include the names of federal candidates mentioned.

I have corrected the data entry on Schedule L Aggregation Page and entered the correct beginning balance for the period. This correction corrects all the Year-to-Date figures on Schedule L.

I have added a purpose for the disbursement to Levin Checking.
